

A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, it is my great pleasure to welcome everyone to the Association of Consulting Engineering Companies of BC's annual Awards for Engineering Excellence Gala.

Despite the numerous challenges the past year has presented, engineers across the province have continued to demonstrate an impressive commitment to safety, tenacity and innovation. ACEC-BC members have worked tirelessly to advance engineering and construction projects, and by promoting the continued elevation of this essential work, you are helping build a brighter future for us all.

While current festivities may look a little different, virtual galas like this offer us the opportunity to come together at a distance to celebrate success. Tonight's awards honour the determination and creativity of ACEC-BC members who have gone above and beyond. This year's winners join a long list of industry professionals who have made an indelible mark on not only their industry, but on the province as a whole. Congratulations to you all! Your hard work and dedication is well deserving of this recognition.

Please accept my best wishes for an inspiring and energizing virtual gala.

HONOURABLE JOHN HORGAN
PREMIER OF BRITISH COLUMBIA
