

## A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, it is my great pleasure to welcome everyone to the Association of Consulting Engineering Companies BC's 32<sup>nd</sup> Annual Awards for Engineering Excellence Virtual Gala.

These awards serve as a wonderful opportunity to recognize and reward innovation and excellence of ACEC-BC member firms. The past year has highlighted just how much we rely on engineers, as many parts of BC were faced with the extreme effects of flooding. ACEC-BC members have been there to serve our communities as critical infrastructure are being repaired and rebuilt. With your help, we are creating long-term solutions to keep everyone safe, and I want to thank each of you for your ongoing commitment to elevating the field and building a better, safer future for everyone in our province.

This year's roster of nominees and winners join a long list of industry professionals who have made a lasting mark, not only on their industry, but on British Columbia as a whole. Congratulations to you all! Your hard work and dedication is well deserving of this recognition.

Please accept my best wishes for an enjoyable and uplifting virtual gala.

  
HONOURABLE JOHN HORGAN  
PREMIER OF BRITISH COLUMBIA
